

St John Fisher RC Primary School

Year One Knowledge Organiser – Autumn One – English Reading and Writing (Topic)

What we will be learning

Geography

Week 1 – My Classroom: A classroom description

Making links to Geography sessions by exploring our classroom and identifying its key features and where things are located.

I will write simple sentences to describe my classroom and where things can be found.

In my classroom there is...

I can see...

Next to the ___ is...

My classroom is...

Week 2 – My School: A school description

Explore the school environment and identify important places and their purpose. Use geographical language to describe where different areas are located.

I will write simple sentences to describe my school and where different places can be found.

In my school there is...

Our ___ is...

Next to the ___ is...

We go to the ___ to...

Week 3 – Our Headteacher: A description

Find out about an important person in our school and describe their role.

I will write simple sentences to describe our Headteacher and explain what they do in our school.

Our Headteacher is...

They help us by...

They work in...

Our Headteacher is... because...

Week 4 – Our School Grounds: A description

Explore the outdoor areas of the school and identify their key features and uses. Use positional language to describe where different features are located.

I will write simple sentences to describe our school grounds and where things can be found.

In our playground there is...

Next to the ___ is...

We use the ___ for...

My favourite place is...

Week 5 – A Tour of My School: A simple guide

Explore the school and describe a simple route from one place to another using positional and directional language.

I will write simple sentences to explain where places are in my school and how to get to them.

First, you will see...

Next, go to...

Finally, you will find...

School – A place where children go to learn.

Classroom – A room in a school where children learn.

Headteacher – The person who leads and looks after the school.

Playground – An outdoor area at school where children can play.

Location – The place where something is.

Map – A drawing that shows where places and things are.

Things I will remember

- I know that sentences start with a capital letter and end with a full stop.
- I know that letters are different sizes and must start from the correct place.
- I know how to write simple sentences dictated by a teacher.
