St John Fisher RC Primary School
Year One Knowledge Organiser – Autumn Term Two – Art and Design

Things I will be taught	Things I will remember
I know: **Lesson 1** Peter Thorpe is an artist and illustrator who was born in the USA Peter Thorpe is famous for painting rockets and planets with an abstract background Which Peter Thorpe painting I like the best and why **Lesson 2** How to use and develop a marbling technique to create a background for my space picture, using different materials, e.g. Oil, water and food colouring **Lesson 3** How to finish creating my own space picture using a marble background and a painted rocket in the foreground	- Peter Thorpe is an artist and illustrator who was born in the USA - I will understand the meaning of abstract. - I will understand that marbling is a technique that can be used in art work

Key Vocabulary	
artist	A portrait is a representation of a person.
abstract	A work of art that represents the natural world around us and may include man-made features.

Abstract

- **Key Knowledge:** Abstract art is art that does not attempt to represent an accurate depiction of a visual reality but instead uses shapes, colours, forms and gestural marks to achieve its effect.

Key Knowledge: The marbling effect, often seen in art and design, is a technique that creates the appearance of swirling patterns resembling those found in natural marble stone by floating colours on the surface of a liquid and then transferring them onto paper or other materials.
