St John Fisher RC Primary School

Year Two Knowledge Organiser – Autumn Two – Computing – Photography & Digi-Art

What we will be learning

Weeks 1 - 4

I know:

- How to explore the app Chatterpix Kids.
- How to plan an interactive digital image linked to a topic.
- How to create an animation using Chatterpix.
- How to develop a storyboard related to explorers.
- How to use Thinglink to label images with audio recordings.
- How to upload and manage a digital project using Seesaw.

Key Facts to Remember

- I can navigate and utilise the Chatterpix Kids app.
- I can use storyboarding and be able to create a storyboard for my animations.
- I can create an interactive digital image linked to the topic of explorers using Chatterpix.
- I can label images and add audio using Thinglink.
- I can upload and manage my digital projects on Seesaw and reflect on my learning experience.

Key Vocabulary and Glossary

- **Animation** - A way of making images move or appear interactive, often through technology.
- **Chatterpix Kids** - An app that allows users to take pictures and create animated talking characters.
- **Storyboard** - A plan or series of drawings that shows how something will happen, usually for a video or animation.
- **Explorer** - A person who travels to new places to learn about them.
- **Audio** - Sound, especially when recorded or broadcast.
- **Thinglink** - A digital tool that allows users to create interactive images with links and audio.
- **Digital Project** - A piece of work or presentation created and presented using digital technology.
- **Seesaw** - A digital portfolio where students can upload their work and reflect on their learning.

Interesting Facts

- Did you know that explorers like Christopher Columbus and Marco Polo travelled thousands of miles to discover new lands?
- Chatterpix Kids was designed with children in mind and allows them to express their creativity in exciting ways!
- The first animation was created in 1900, long before the technology we have today!
- Many famous explorers kept journals to document their adventures, which helps us learn about their journeys today!

Theme

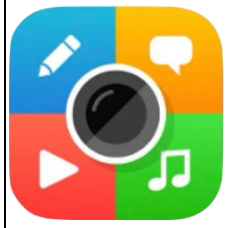

Columbus & Shackleton

Christopher Columbus was an Italian explorer who is credited with "discovering" the Americas for Europeans. Ernest Shackleton was a British polar explorer known for his Antarctic expeditions, particularly his journey on the Endurance, which resulted in a daring rescue of his crew.

Apps & Software

Thinglink

An App that can be used to create interactive images.

Chatterpix

An App that can be used to create animated talking pictures.

SeeSaw

An educational platform that can be used to create an electronic portfolio of children's completed digital work.
