portrait	an artistic representation of a person
self portrait	an artistic representation of the artist themselves
contrasting/complementary colours	differing strikingly – opposite one another on the colour wheel
warm colours	red, orange and yellow colours
cold colours	blue, green and purple colours
printing	an art form that involves transferring an image from a matrix to another surface, such as paper or fabric

Andy Warhol

Key Knowledge: Andy Warhol was born in 1928 in Pennsylvania and moved to New York later. His first job was illustrating adverts in fashion magazines.

Pop Art

Key Knowledge: Popular culture is anything from Coca Cola to pop stars to the clothes people like to wear. Pop art is bright, fun and attention grabbing. Warhol used used images of famous people, places, landmarks and common place items such as soup tins and things that are popular in the modern world.
