

# St John Fisher RC Primary School

## Reception Knowledge Organiser – Summer Term Two

### Knowledge and Understanding of the World

#### What we will be learning

**Week 1** – What things we might see at the seaside  
How to stay safe near the water

**Week 2** – The difference between past and present seaside activities

**Week 2** – The signs of Summer

**Week 3** - Which animals live on land and which live under water  
The names of three features of a sea creature

**Week 4** - The names of at least 4 different animals that live in the sea  
How plastic is causing harm to sea life and how I can help to stop this

**Week 5** - That some things sink and some things float

#### Things I can talk about

#### Key Knowledge:

To explore the natural world and understand some important processes and changes in it
