

St John Fisher RC Primary School

Year One Knowledge Organiser – Spring Term Two – Art and Design

Things I will be taught

I know:

Lesson 1 – How to explore photographs of buildings, and explore websites and video clips to find out about the different materials and construction methods used for buildings. To name the different landmarks in London.

Lesson 2 and 3– Explore how to create 3d models to represent the different human features in London using Lego and junk modelling.

Lesson 4 How to practice rolling, shaping, and flattening clay to create different forms.

Lesson 5 – Create a clay sculpture to represent one of the buildings in London.

Lesson 6– Evaluate both sculptures.

Things I will remember

- A landmark is an object or feature of a town that is easily seen and recognised.
- Some of the famous buildings in London are: The Tower of London, Big Ben, Westminster Abbey, The Shard, The Gherkin, The London Eye, Buckingham Palace.
- Architect is a person who designs and plans buildings.

Key Vocabulary

Sculptures

To make or represent by using shaping techniques.

3d models

To create a three-dimensional representation of an object.

Buildings in London
