Key Vocabulary

Aboriginal Art	Art made by Aboriginal people from Australia that tells stories about their life, land, and beliefs.
Boomerang	A curved wooden object made and used by Aboriginal people; in this topic, it is used as something we can decorate with art.
Symbols	Simple pictures or shapes that stand for something else (like water, people, or animals).
Patterns	Designs that repeat again and again, often using shapes, lines, or dots.

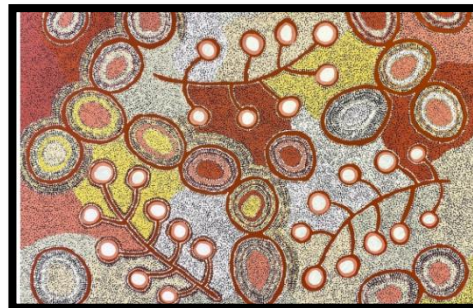

Design

Key Knowledge: I need to research Aboriginal symbols and patterns. My boomerang design needs to tell a story using dots and colours. I should label my design with each symbol and explain its meaning.

Make

Key Knowledge: I need to prepare my table and materials so it is ready for painting. Some paints must be kept separate. I need to handle all tools safely.

Evaluate

Key Knowledge: I need to evaluate my boomerang design so that I can make it better next time. I need to check that my design meets the criteria I set at the start. I will ask questions about my own skills and how I could improve. I will make sure my boomerang shows my chosen symbols, patterns, and colours clearly.
