Dear Parents

PARENTAL PERMISSION FORM

Name of Child Class

Photographs and Videos

Over the coming weeks/months we plan to develop our online technology to communicate with parents and promote what is happening at St. John Fisher to people who are interested in the school. This will include a brand new website, and twitter account. From time to time we may wish to put photographs of your child and/or their work on our School Website or Twitter account. The posting of photographs on these sites will always follow guidelines set out for schools and a child's name will never be posted with their photo. If a class has been making videos or animation in school, we may wish to publish a video on the school website which your child either stars in or has produced in school.

Parents may wish to view the school website as an example of the images taken by school.

Photographs may also be taken for use in school, on wall displays or occasionally by outside agencies such as The Manchester Evening News or Link4Life.

Please indicate your consent and agreement below.

I do/do not give permission for my child to have their picture published on the school website, school Twitter feed and other publications such as The Manchester Evening News.

Signed Parent/Guardian

I do/do not give permission for a video which has my child in to be displayed on the school website.

Signed Parent/Guardian

I agree that any photographic or video images I, as a parent or legal guardian, might take at school events will not be used inappropriately as set out in the Policy for the Use of Images of Children

Signed Parent/Guardian

Local trips and activities

During the course of any school day pupils may be involved in local visits and short coach trips, e.g. walking to the local library, swimming and visits to other schools within the local area. Rather than send out letters requesting permission for your child to participate in such activities, please complete the following consent information.

I do/do not give permission for my child to participate in local trips and activities.

Signed Parent/Guardian

Please note that some class trips will require a separate permission slip accompanying the information letter.
