Lesson 6 - How to create my own Lowry style picture		Landscape	all the visible features of an area of land						
in sketch books using sketch pencils to create people		Key Knowledge:							
		Simpson and Foster are both British architects who have designed famous buildings in Manchester and London.							
and background buildings.		Lowry was an English painter from the North of England, famous for his oil paintings of industrial cityscapes. LS							
		Lowry is celebrated for his paintings of industrial scenes in the North West of England. His distinctive style was full of people who became affectionately called 'matchstick men'. It's now recognised that his work was far more complex than it first appears. The Lowry Gallery on the Salford Quays was opened by Queen Elizabeth II in October 2000.
