The Whole Child Action Plan

The first entitlement of all children is to be *Spiritually, Morally, Socially and Culturally Educated* ... Children should first be educated spiritually and as a Catholic Community spiritual education is about our beliefs, our relationship with God and who we are from the scriptures. The whole of our curriculum is permeated in our beliefs and values.

This document should be read alongside the Prayer and Liturgy Planner – Religious Life Planner and each Year Groups Curriculum Overview.
